CERTIFIED PROFESSIONAL FOR HOSPITAL INFECTION CONTROL

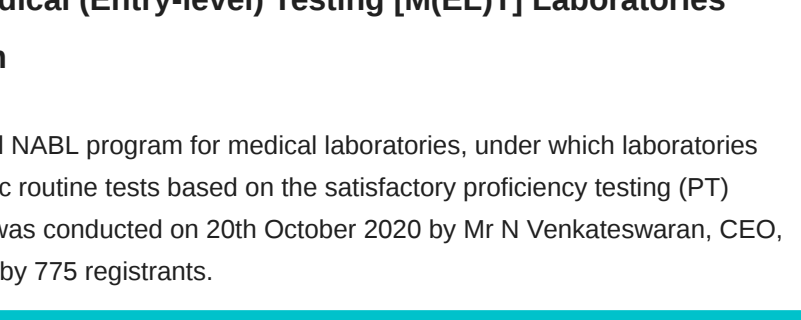

Online Training Program on Basic Certified Professional for Hospital Infection Control (CPHIC-Basic)

Next Session: 8th November 2020

CAHO conducted its first online CPHIC- Basic training program in association with SCHULKE on 18th October 2020 which was attended by 54 participants from across the country. The faculty included Dr J. Jayalakshmi, Dr Shashank Devapur and Ms Dhanya Michael. The program provided practical advice & instructions on a wide range of topics to allow healthcare workers to understand protocols and processes responsible for reducing HAI and thus improving the safety of patients and also ensure their own safety.

ONLINE RESEARCH MENTORING PROGRAM

Valedictory Ceremony of Online Research Mentoring Program

CAHO in collaboration with Seeds of Sustainability (SOS) and American Society of Safety Professionals (ASSP Region IX) conducted the valedictory ceremony of an Online Research Mentoring Program on 17th October. The program was initiated with the intent of engaging the student community to enhance their skills of writing and interacting with mentors from various background and profession. In the program, 16 themes related to COVID-19 starting from its evolution, treatment, testing, its impact children, elderly, vaccine etc. were chosen by medical students from PSG Medical College in Coimbatore and Queen Mary's College in Chennai.

94 students enrolled for the program and 32 mentors from various medical and scientific institutions, industries, research foundations etc. volunteered to be part of it. Students were directly brought to writing Journal articles. 33 articles were submitted which were evaluated by the mentors. The best performers in the program & mentors were appreciated during the valedictory.

LEARN @CAHO
