NEW! CERTIFICATE PROGRAM FOR PROBLEM SOLVING

CAHO ACADEMY

Certification for Problem-Solving

Healthcare Quality Improvement is about solving chronic problems in organizations which are embedded in managerial processes and do not come with alarms. Therefore, tragically, they hatch chronic waste referred to as Cost Of Poor Quality (COPQ).

CAHO - QIMPRO presents Certification for Problem Solving commencing from 26th November. The program has been designed to build an army of healthcare professionals who are adept at recognizing and solving chronic problems in cross-functional managerial processes and help to significantly reduce the COPQ in the hospital.

The program comprises of:

- Live weekly lectures (8 Talks) on each Quality Tool by Mr. Suresh Lulla with a practical application of the tool by a healthcare specialist.
- A self-paced online module on problem-solving: Problem Solving Pro
