[Watch](#)

Road Safety & Role of Hospitals

- What does the law require a hospital to do?
- How will the hospital treat a Good Samaritan - Can he be detailed? Can the personal details of the bystander sought by the hospital?
- Is there a disciplinary action against the doctor who shows a lack of response during the emergency?

[Watch](#)

World First Aid Day: First Aid Saves Lives

Early identification and first aid can help in quick recovery and reduce the risk of the situation escalating quickly to something more critical. Unfortunately, the knowledge about such common emergencies and first-aid is much lacking in our community and is complicated by myths more than the facts.
