Shifa Hospital

ABOUT AHPI-TN

AHPI-TN Chapter, a not-for-profit organisation, is one of the largest Healthcare forums in the state. With more than 350 members – comprising small, medium and large hospitals – AHPI-TN Chapter is a larger force in the state. The Association addresses and advocates with the government, regulatory bodies and other stakeholders on several issues that concerns healthcare operations on enabling its members to deliver safer and quality patient care. We have been successful in dealing with issues like the Minimum Wages, Cost of services, Power bills etc.

ABOUT AHPICON 2024

The year 2024 sees healthcare navigating a crucial intersection: achieving growth while minimizing environmental impact. Previously a sector with a significant carbon footprint, healthcare is embracing sustainability. Preventive care, a key focus, helps avoid resource-intensive treatments later. Additionally, the development of biodegradable medical devices and energy-efficient equipment showcases the industry's commitment to a greener future. This shift towards sustainability fosters continued growth in healthcare without compromising the health of our planet, ensuring a win-win for both patients and the environment.

Sustainability and growth in healthcare in 2024 are critical aspects that continue to shape the industry's trajectory. Achieving sustainability involves managing resources efficiently, reducing waste, and ensuring equitable access to healthcare services. This includes adopting environmentally friendly practices, optimizing operational efficiency, and promoting preventive care to reduce the burden on healthcare systems.

In this context, it is with great pleasure that we take this opportunity to announce the First edition of our flagship event, **AHPICON 2024 – TN Chapter**, which is scheduled to happen on **15th June 2024**, at **Courtyard by Marriott, Madurai**.

The conference aims to address the challenges faced by the Tamil Nadu healthcare industry which are brought about by the constant changes in the progressive healthcare environment and to collectively find innovative solutions.

Healthcare impacts everyone, but costs are rising unsustainably. The theme for this year's conference is **'Sustainability and Growth in Healthcare'**, which explores affordable ways to grow healthcare services while being environmentally responsible. Finding this balance is crucial for a healthy population and planet today and tomorrow.

AHPI-TN EXCELLENCE AWARDS 2024

The Association of Healthcare Providers India (AHPI), Tamil Nadu Chapter, is organizing the **AHPI-TN Excellence Awards 2024** to recognize the best hospitals in various categories across different zones of Tamil Nadu. The award categories include multi-specialty and single-specialty hospitals, both above and below 100 beds, as well as medical college hospitals. The last date for submission is May 31, 2024, and the award ceremony will be held on **June 15, 2024**, in **Madurai**.

The districts covered under each zone are:

North Zone - Chennai, Vellore, Kanchipuram, Krishnagiri, Villupuram, Arakonam, Chengalpattu, Thiruvanamalai, Thirupattur, Gudiyattam, Arani.

South Zone - Tirunelveli, Nagercoil, Sivakasi, Kanyakumari, Tuticorin, Tenkasi, Srivilliputhur, Ramanathapuram, Virudhunagar, Nanguneri, Srivaikuntam, Rameshwaram.

Central Zone - Madurai, Trichy, Dindugul, Tirumangalam, Theni, Kodaikanal, Sivagangai.

East Zone - Pondicherry, Thanjavur, Cuddalore, Tiruvarur, Perambalur, Karaikal, Nagapattinam, Pudukottai, Thirumayam.

West Zone - Coimbatore, Salem, Erode, Tirupur, Namakkal, Dharmapuri, Avinashi, Udagamandalam, Sathyamangalam, Kudalur, Omalur, Harur, Pollachi.

Award Categories

1. Best Multi-Specialty Hospital – Above 100 Beds
2. Best Multi-Specialty Hospital – Below 100 Beds
3. Best Single Specialty Hospital – Above 100 Beds
4. Best Single Specialty Hospital – Below 100 Beds
5. Best Medical College Hospital
