The event for people who care!

CAHOCON 2024 is a prestigious international conclave hosted by the Consortium of Accredited Healthcare Organizations (CAHO) and endorsed by esteemed institutions like ISQua, ASQua and QCI.

This event features world-class healthcare leaders, professionals, researchers, and educators, to dwell upon "*Making Healthcare Efficient, Effective, Economical & Equitable*".

It mirrors our goal to improve healthcare for everyone. Expect invigorating talks, new research insights, practical solutions, and plans for transforming healthcare to benefit all.

This momentous occasion is set for the 6th and 7th of April, at the iconic Biswa Bangla Convention Centre, in the lively city of Kolkata. Ahead of the main event, around 12 insightful pre-conference workshops will take place on 5th April at various hospitals across Kolkata, along with a CAHO Diagnostics & Labs Conference called CAHOLABCON in Biswa Bangla Auditorium.

We anticipate over 2000 delegates who will actively engage in insightful sessions delivered by domestic and international experts. The event's highlights include incisive panel discussions, thought-provoking debates,

innovative poster presentations, and prestigious awards, all punctuated by an exciting live Quiz Competition. The Mega Industry Expo is designed to showcase cutting-edge technology and products while encouraging meaningful networking opportunities and fostering strategic alliances within the industry.

Kolkata, with its rich cultural tapestry and robust healthcare ecosystem, serves as the perfect backdrop for CAHOCON 2024. This summit is more than just an event; it's an experience – a crucible for learning, partnership, and personal evolution.
