6<sup>th</sup> edition

# HOSPITAL TECH 2023

23-24 November 2023, The Lalit Mumbai  
International Trade Fair and Conference for Healthcare Sector

**Confederation of Indian Industry (CII)** has been at the forefront of reforms and is working diligently with varied stakeholders to offer solutions to the critical challenges faced by the Country.

To create a dynamic and reliable platform for the convergence of all the stakeholders to forge the strategies that will transform the Indian Healthcare Sector, CII WR is organizing 6th edition of its flagship initiative – **CII Hospital Tech 2023 on 23 and 24 November 2023 at The Lalit, Mumbai.**

CII Hospital Tech 2023, is an industry driven initiative that is being organized under the aegis of CII WR Sub-Committee on Healthcare chaired by **Dr Parag Rindani, CEO, Wockhardt Hospitals** and CII Hospital Tech 2023 is chaired by **Mr Joy Chakraborty, COO, P D Hinduja Hospital & Medical Research Centre.**

Continuing the impactful legacy of the previous editions, Hospital Tech 2023 shall facilitate deep insights into the challenges, opportunities, and solutions to overcome the hindrances that are adversely impacting the inclusive development of the Indian Healthcare sector. It further aims at creating a dialog for the creation of a sustainable and reliant eco-system that is immune to the impact of the black-swan events. CII Hospital Tech 2023 will be a step towards creating opportunities for forging mutually beneficial linkages and partnerships across the borders to ensure a 'win-win' situation for all.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society, through advisory and consultative processes.

CII is a non-government, not-for-profit, industry-led and industry-managed organization, with around 9,000 members from the private as well as public sectors, including SMEs and MNCs, and an indirect membership of over 300,000 enterprises from 286 national and regional sectoral industry bodies.

For more than 125 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. CII charts change by working closely with Government on policy issues, interfacing with thought leaders, and enhancing efficiency, competitiveness and business opportunities for industry through a range of specialized services and strategic global linkages. It also provides a platform for consensus-building and networking on key issues.

Extending its agenda beyond business, CII assists industry to identify and execute corporate citizenship programmes. Partnerships with civil society organizations carry forward corporate initiatives for integrated and inclusive development across diverse domains including affirmative action, livelihoods, diversity management, skill development, empowerment of women, and sustainable development, to name a few.

As India strategizes for the next 25 years to India@100, Indian industry must scale the competitiveness ladder to drive growth. It must also internalize the tenets of sustainability and climate action and accelerate its globalisation journey for leadership in a changing world. The role played by Indian industry will be central to the country's progress and success as a nation. CII, with the Theme for 2023-24 as 'Towards a Competitive and Sustainable India@100: Growth, Inclusiveness, Globalisation, Building Trust' has prioritized 6 action themes that will catalyze the journey of the country towards the vision of India@100.

With 65 offices, including 10 Centres of Excellence, in India, and 8 overseas offices in Australia, Egypt, Germany, Indonesia, Singapore, UAE, UK, and USA, as well as institutional partnerships with 350 counterpart organizations in 133 countries, CII serves as a reference point for Indian industry and the international business community.
