

Challenges of Entry Level Certification to Hospital Accreditation program

DR MURALI SRINIVASAN MD DM FRCP

**CONSULTANT NEUROLOGIST
MANIPAL HOSPITALS
BANGALORE**

Program

- Pre Accreditation Entry Level **Certification**
- Intent
 - Introduction to Quality
 - Familiarize with Accreditation
 - Build a road map

Process

- Basic documentation
- Building blocks to quality implementation
- Single stage assessment

Challenges

- Self realisation
- Learning about accreditation
- Staff involvement
- Motivation for the organization
- Bed strength and size
- Possibility of Assessor bias
 - Inter assessor variation
 - Full accreditation
- Mis-representation as Accreditation

Way forward

- Review in process in line with 4th Edition of hospital standards
- Review of Logo for Pre-Accreditation
- Review of Assessment process
- Tailor made assessment

.....Thank You
