

Baby Memorial Hospital
Presents

NATIONAL CONFERENCE ON

**Healthcare
Excellence through
Administration and
Leadership**

THEME

**“Healthcare
Beyond 2030”**

DATES

**20 & 21
JAN 2023**

VENUE

**Baby Memorial Hospital
Kozhikode, Kerala**

The image shows a backdrop for the HEAL 2018 event. It features the text 'HEAL 2018' on the left and right sides. In the center, there is a logo for 'HEAL 2018' with a bird icon. Below the logo, it says 'National Conference on HEALTHCARE EXCELLENCE THROUGH ADMINISTRATION AND LEADERSHIP' and '26th & 27th October 2018'. The BMH logo and 'Baby Memorial Hospital' are also visible at the top. A panel of five men is seated on a stage in front of the backdrop.

HEAL 2022

“Healthcare beyond 2030”

HEAL 2022 is a two day conference that brings together senior level experts from the healthcare industry of various states to share their knowledge, expertise and thoughts.

Important highlights of the conference are case studies, interactive panel discussions on emerging trends, challenges, latest developments, products, technologies and also the future of healthcare industry.

FOCUS

- Expectations from future healthcare systems.
- Preparing clinicians to meet the needs of future.
- Upskill the talent for the VUCA world including leadership & strategies.
- Preparing nursing talent to meet the future challenges in care.
- Emerging trends in care delivery models.
- Enhancing existing regulations to adopt latest care delivery models.
- Digital transformation to enable healthcare of the future.
