

NORTH EAST HEALTHCARE MANAGEMENT CONCLAVE

11th March, 2023, Guwahati, Assam

Venue: KBR Auditorium, Cotton University, Panbazar Guwahati

ORGANISED BY:

GUWAHATI MANAGEMENT ASSOCIATION

(Affiliated to All India Management Association, New Delhi)

In Collaboration with:

**CONSORTIUM OF ACCREDITED HEALTHCARE ORGANIZATIONS
(CAHO)**

&

PINNACLE Healthcare Consultants, Guwahati

India is a country with a billion plus population and this presents enormous challenges and opportunities in delivering affordable and quality healthcare to the people. Healthcare in India is delicately poised and rural health faces a crisis unmatched by any other sector of the economy. GDP is alarmingly low, shortage of healthcare providers and required infrastructure especially in the rural areas, penetration of insurance is very less, which has pushed the healthcare sector to a “comprehensive healthcare crisis”.

Healthcare has seen an exponential rise in the capacity and ability of new health technologies heralding the prospect of a very diverse model of healthcare across the globe. This Conclave aims to create a platform for Frontline Workers, Caregivers, Policy Makers, Owners and other Stake Holders in Healthcare and to serve as a medium to facilitate things as a comprehensive channel about the recent developments in healthcare and for improved patient care.

Agenda

Preparing a future ready workforce & Managing human resources in hospitals

ABOUT GUWAHATI MANAGEMENT ASSOCIATION (GMA):

Our Mission:

Guwahati Management Association (GMA) was established in 1970 and has a glorious past of nearly several decades propagating management in the North East, under the aegis of All India Management Association (AIMA) – the apex management body of the country and now spreading its arms abroad to many countries. Until recently amidst all changes in the country, GMA during the last several decades is the only regional body in the North East (except Silchar Management Association last year) that is helping regional Managers to make the most of new opportunities and has been assimilating the changed global perspective and equipping the regional managers for it.

Our objectives:

The Association shall be a public charitable, literary and scientific society having for its objects inter alia:

- To promote and develop education in scientific management
- To promote amongst members exchange of knowledge experience and ideas on sound management principles and practices
- To make available benefits of its activities and facilities to the public at large without any distinction
- To promote education in theory and practice of management and related subjects through meetings, discussions, lectures, research projects, seminars, conferences, programs of studies, dissemination and exchange of information, experience & ideas, libraries, publication of booklets, abstracts, journals & periodicals. Also, to publish books and conduct classes for AIMA Diplomas of Management in consultation with AIMA Council.
- To maintain for the benefit of the members of the Association, liaison with organizations interested in management such as trade associations, chambers of commerce and other management association in the State and the other organizations engaged in Human Resource Development.
- To collaborate and cooperate with local chapters of other professional bodies and with educational and research institutions having similar objects
- To undertake this object agenda as our goal, we routinely carry out different Management specific activities in divergent fields.

CONSORTIUM OF ACCREDITED HEALTHCARE ORGANIZATIONS (CAHO):

Consortium of Accredited Healthcare Organizations CAHO (www.caho.in) is a not-for-profit society with the primary goal of enabling quality initiatives in healthcare settings. This is being done through focused events, courses, workshops, training programs and collaborative research. CAHO believes that accreditation is the beginning of continuous quality improvement and the aim is to systematically infuse & spread the message of quality in healthcare at the grassroot level.

Whole accredited organizations form the core of CAHO Membership, all other healthcare organizations, labs and individuals desirous of joining the quality movement are also part of CAHO and in fact now form the three wings of CAHO. Accordingly, the Governing Committee (GC) of CAHO has three verticals namely CAHO Healthcare Institutions, CAHO Diagnostic Centres and CAHO Quality Professionals.

PINNACLE HEALTHCARE CONSULTANTS:

“PINNACLE Healthcare Consultants” is a consulting firm comprising of a group of dynamic professionals from diverse fields, related to healthcare and allied services. The group provides comprehensive Consultancy Services for setting up Healthcare Facilities - both Government and Private. For the last few years, the group has delivered high quality consulting services to the private hospitals, medical college, teaching hospital, not-for-profit organizations, trust hospitals and mission hospitals and academic institutions. PINNACLE is a team with extensive knowledge and resources to help the health caregivers meet the challenges in the competitive healthcare environment.
