

# Challenges in Patient Management - How to face it ?

A RAJAGIRI - CAHO INITIATIVE

Dear Doctor,

We are delighted to invite you to a special gathering organized by Rajagiri Hospital. This event promises an evening of discussion on transforming patient care strategies to conquer management challenges and camaraderie, followed by a delightful dinner. Your presence at this event is highly valued and appreciated. We believe this gathering will not only strengthen our professional connections but also contribute to enhancing patient care and well-being in our community.

We look forward to seeing you here !!!
