

SFCC

SCIENTIFIC FORUM FOR CLIA AND CHEMISTRY 2023

In association with IFCC, CAHO, ACCLMP

Agenda 1st DAY - 9th Dec. 2023

1st Session - 12:10 to 1:10 pm (IST)

12:10 - 12:30 pm

Dr. Venkatesh Thuppil

Professor Emeritus in the Department of Biochemistry, St John's Medical College, Bangalore

Errors in Laboratory pre examination and post examination

12:30 - 12:50 pm

Dr. Manisha Patwardhan

Head Quality, AG Diagnostics, Pune

Six Sigma- A tool for laboratory excellence

12:50 - 1:10 pm

Dr. Aparna Jairam

Founder and Director of Asavlee, Dr.Aparna's Pathology Laboratory, Mumbai, Secretary of CAHO Diagnostic Division

Case studies: Immunology with autoimmunity and Infertility

2nd Session - 02:00 to 04:00 pm (IST)

02:00 - 02:20 pm

Dr. Prajwal Amalli

Consultant & Head Biochemistry at Agilus labs, Fortis Hospital, BG road & Cluster head, Agilus diagnostics, Karnataka

Uncommon interferences in Biochemistry

02:20 - 02:40 pm

Dr. Jayalakshmi Jayarajan

Professor & HOD, Microbiology KMCH Institute of Health Sciences & Research

Migration from ISO 15189-2012- 2022 version at a glance

02:40 - 03:00 pm

Dr. Barnali Das

Lead Consultant, Biochemistry, Immunology & Toxicology, Kokilaben Dhirubhai Ambani Hospital & Medical Research Institute, Mumbai, Executive Member, Scientific Division, International Federation of Clinical Chemistry & Laboratory Medicine (IFCC), Chair, Association for Diagnostics & Laboratory Medicine (formerly American Association of Clinical Chemistry or AACC), Indian Section

IQ, OQ, PQ of Clinical Chemistry & Immuno Assays

03:00 - 03:20 pm

Dr. Rajesh Bendre

National technical head - Apollo Diagnostics

Serum Tumour markers in clinical practice

3:20 - 3:40 pm

Dr. Wahid Ali

Professor Department of Biochemistry & Pathology, King George's Medical University (KGMU), Lucknow

Laboratory indicators of dysfunctional High Density Lipoprotein: Lipid Profile revisited

03:40 - 04:00 pm

Dr. Ankur Singh

Laboratory Director and Chief of Lab, Ankuram Labs, Varanasi

Cost of Lab test

3rd Session - 04:15 to 06:15 pm (IST)

04:15 - 04:35 pm

Dr. Danalakshmi

Senior Consultant and Head Biochemistry, Apollo Hospital, Chennai

Interferences of Immuno assay

04:35 - 04:55 pm

Dr. Satish Ramanathan

Consultant and Head- Clinical Laboratory Medicine, Cloudnine Group of Hospitals; Chennai Scientific Advisor-Aarthi Scans & Labs

A journey of Thyroid from known to unknown

04:55 - 05:15 pm

Dr. Riju Mathew

Assistant Director, Manager, Laboratory - Quality & Risk, Associate Professor at Believers Church Medical College, Thiruvalla

Artificial Intelligence in Diagnostics-TLA

05:15 to 05:35 pm

Dr. Afshan Rafi

Consultant Biochemist, Aware Global Hospital, Hyderabad

Serum Ferritin-more inflammatory marker or anemia marker?

05:35 - 05:55 pm

Dr. Kalpesh Gandhi

Laboratory Director, Central Clinical Pathology Laboratory, Zydus Research Center, Ahmedabad

Significance of Prognostic Cardiac Markers (HS-CRP & Homocysteine)

05:55 - 06:15 pm

Dr. Dipti Ekka

Lab Director and Co-founder, Rapidx Lab, Delhi

Different methodologies and analytical interferences for HbA1c

SFCC

SCIENTIFIC FORUM FOR CLIA AND CHEMISTRY 2023

In association with IFCC, CAHO, ACCLMP

Agenda 2nd DAY- 10th Dec. 2023

1st Session - 09:00 to 10:40 am (IST)

09:00 - 09:20 am

Dr. Susruta Sen

Director, Department of Lab Medicine,
CK Birla Hospital, CMRI & BM Birla Heart
Research Centre, West Bengal

Mysteries of Hormonal Assays

09:20 - 09:40 am

Dr. Sunanda

Malla Reddy Medical College,
Hyderabad

Study of Vitamin D and other acute phase reactant proteins in SARS-COV-2 infection

09:40 - 10:00 am

Dr. Sharmistha Choudhuri

Assistant Professor, Department of
Biochemistry, RG Kar medical College
and Hospital, Kolkata

Good Lab practices

10:00 - 10:20 am

Dr. Pradeep Suri

Director, Suri Path Labs, Delhi

Clinical interpretation of Thyroid

10:20 - 10:40 am

Dr. Arshiya Fatima

Consultant Biochemist, Vijaya
Marie Hospital, Hyderabad

Reproductive Hormones in Premature Ovarian Failure

2nd Session - 11:00 am to 01:00 pm (IST)

11:00 - 11:20 am

Dr. Jayesh Warade

Consultant Biochemistry & Molecular
Biology, Sr. Quality Manager,
Meenakshi Mission Hospital, Madurai

Measurement of uncertainty in qualitative and quantitative results

11:20 - 11:40 am

Dr. Pooja Devi

Assistant Professor, Dr. Baba sehab
Ambekar Medical College and Hospital,
Delhi

Vit B12 status and its impact on cardiovascular risk factors

11:40am - 12:00 noon

Dr. R. Vinayagamoothi

Professor and Head, Department of
Biochemistry, IGMC, Pondichery

Importance of Anaemia Markers

12:00 - 12:20 pm

Dr. Vijaya Lakshmi

Malla Reddy Medical College,
Hyderabad

An overview of Thyroid function tests: A biochemical perspective

12:20 - 12:40 pm

Dr. Tina Liu

Clinical Manager, Mindray Medical,
Shenzhen

Brief introduction of Mindray New Immunoassay-hs-Tnl and NT-proBNP

E - CERTIFICATE
will be provided

To Register
